Re: **Flagger Training Now Available**

The Training Fund is very happy to announce we will be opening our doors to provide Flagger Training at our Chicago Facility. The training fund will be taking calls beginning today for reserved seating and classes will begin as soon as these seats are assigned.

All CDC, OSHA and Training Fund regulations regarding disinfecting and social distancing will be followed. No one will be allowed to enter the building without a face mask. No more than eight members will be allowed in a classroom, all practicing social distancing. There will not be any access to the building other than the assigned classroom through a designated ingress and egress point.

We are only providing training at our facility due to our concerns for the health and safety of our employees.

If you have any questions, do not hesitate to contact the Training Fund at 630.653.0006
