

LiUNA Chicagoland Laborers' District Council Training & Apprenticeship Fund

MEMORANDUM

To: All LiUNA Laborers

From: LiUNA Chicagoland Laborers' Training & Apprenticeship Fund

Date: May 1, 2020

Re: Asbestos and Lead Licenses - ILLINOIS

The LiUNA Chicagoland Laborers' Training and Apprenticeship Fund is an approved certifying agency by both IDPH (Illinois Department of Public Health) and IDEM (Indiana Department of Environmental Management). We received the following email from each agency:

Illinois Department of Public Health - IDPH:

To whom it may concern,

Emergency rules have been promulgated for both the lead and asbestos programs delaying license expiration dates to August 28, 2020. The emergency rules can be found on the Department's website located at: <http://www.dph.illinois.gov/covid19/governor-pritzkers-executive-orders-and-rules>.

*Thanks,
Glen*

*Glen E. Garner
Lead & Asbestos Compliance Program Manager
Illinois Department of Public Health*

Indiana Department of Environmental Management -IDEM

Subject: Asbestos License - INDIANA

Good morning all,

Last Friday, 5/8, Governor Holcomb issued Executive Order 20-27. This order further extends the current extension period for all state issued 'licenses' from 5/22 to 6/4. Essentially this means that no 'licenses' are to expire during this extension period.

Like before, no expiration dates have been modified. Instead, I have added the Extension Expiration Date field in MLO and to the Verification Site. In MLO, it is viewable by clicking the Details button on the Licenses panel. All 'licenses' will remain in their current status and no late fees will be charged until 6/5. Unless further extended, on 6/5 'licenses' that have not renewed will be expired and late fees will be charged again.

*Thanks,
Linda*

IDEM License extension for all state issued licenses until June 4th, 2020
